

## Data deletion and series stop notice for Argus Russian Motor Fuel effective 17 July 2014

The following two series have inadvertently been left active in the Argus data CSV files since 1 August 2013, these series should have been stopped on 31 July 2013. The data since that date has not changed and Argus has stopped the series effective 31 July 2013 and deleted the historical data since 1 August 2013 to 9 July 2014 to correct this.

The following codes have been listed as stopped:-
